**Large, vibrant flowers on an easy plant that thrives in the heat. Blooms continuously, providing an extended season of color in garden borders or patio containers. Hummingbird friendly.**

## *Angelonia angustifolia* 'Archangel Series'

- **Use:** Large, showy flower spikes on thick, sturdy stems. An easy-to-grow, compact plant that thrives in the heat and humidity. Provides an extended season of annual color in a garden or container. Rabbit resistant.
- **Exposure/Soil:** Full sun –part shade. Prefers moist, well-drained soil.
- **Growth:** Grows 12-14" tall and 10-12" wide and spreads. Great for window boxes, flower beds, and mixed containers.
- **Hardiness:** Zone 9-11; Annual, but with some protection and good drainage there is a slight chance they may come back.
- **Foliage:** Small leaves. Grape scented dainty green foliage.
- **Flower:** Blooms all season and available in a myriad of colors from late spring to fall. Prune off old flower stems.
