

Carnival™ Peach Parfait Coral Bells

An excellent
addition to
the
shady garden
or mixed
container.

Heuchera Carnival™ Series 'Peach Parfait' PP24928

- **Use:** From the Carnival series of Heuchera - a collection of alum-roots that pack a punch of fantastic foliage, tidy mounding habits and exceptional heat and humidity tolerance. This series works well in the shade garden at the front of the border or in containers on the patio.
- **Exposure/Soil:** Part sun-shade. Best when planted under other trees, but not too deep a shade or poor flowering and leaf color. Moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Fast growth to 12-14" tall, 24" in bloom overall, by 12-14" wide.
- **Hardiness:** Zone 4-9; Perennial
- **Foliage:** Semi-evergreen. Pops in the shade with eye-catching, slightly ruffled peachy foliage touched by deep orange veining and silver highlights.
- **Flower:** Delicate panicles of white flowers parade above the foliage in spring.
