

Shadowland Seducer Hosta

PW
PROVEN
WINNERS®

Hostas are exceedingly popular perennials in today's gardens due to their versatility in the landscape. Their subtle colors,

tall flower scapes, and broad, coarse leaves fill a niche in garden designs that few other plants can achieve. Their large leaves provide excellent coverage for dying bulb foliage. Hostas also grow well in city environments where the air may be polluted by car exhaust, etc.

Hosta 'Shadowland Seducer' PP22413

- **Use:** This premium hosta variety is part of a group called Shadowland made up of the finest hostas available today. To be considered a premium hosta, plants must perform superbly in many zones. They must also exhibit exemplary garden presence and performance, have a long season of appeal in the landscape, have leaves of good substance, and demonstrate a greater resistance to common garden pests. The perfect choice for shade, hostas are exceedingly popular perennials in today's gardens due to their versatility in the landscape. Their subtle colors, tall flower scapes, and broad, coarse leaves fill a niche in garden designs that few other plants can achieve. Their large leaves provide excellent coverage for dying bulb foliage. Hostas also grow well in city environments where the air may be polluted by car exhaust, etc.
- **Exposure/Soil:** Part sun–shade. Acid, moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year.
- **Growth:** Vigorous growing clump, to 26-40”(in flower) high and 36” wide.
- **Hardiness:** Zone 3-9; Perennial
- **Foliage:** Deciduous; Large sized hosta with broadly, ovate leaves that are dark green with a slightly ruffled, gold margin and a trace of white between the center and margin. The white coloring needs the summer heat to develop full coloration.
- **Flower:** Near white flowers appear in midsummer.
