

Carpet Angel Shasta Daisy

Its delightful flowers are long-lasting in the garden and the vase. Don't be surprised when you see beautiful butterflies and colorful moths visiting these treasures. Carpet Angel Daisy blends in beautifully with other perennials in

containers, borders, mass plantings, cottage, cutting, and pollinator gardens. It makes an ideal choice to replace annuals in beds and large plantings, or anywhere you don't want to plant year after year. Deer and rabbit resistant.

Leucanthemum × superbum 'Carpet Angel'

- **Use:** The first-ever groundcover Shasta Daisy as well as the first-ever AAS Winner from this breeder! Large 3-inch flowers boast a second inner frilly bloom adding to the unique look of Carpet Angel. Fantastic branching on this new AAS winner means more flower stems sporting beautiful pure white blooms that look like angels dancing over a carpet of dark green foliage. A little deadheading of spent flowers will reward you with even more blooms.
- **Exposure/Soil:** Plant in full sun to partial sun. Use slow release or water soluble fertilizer. Keep soil moist watering under leaves and flowers for best results. Drought tolerant once established.
- **Growth:** Growing only to a height of 6 inches, this unique *Leucanthemum* can act as a groundcover spreading up to 20 inches wide.
- **Hardiness: Zone** 4-9 Perennial. Very heat tolerant! Mulch around plant in the winter.
- **Foliage:** Green leaves. Deciduous.
- **Flower:** The fascinating frilly blooms sit tightly on the foliage. Carpet Angel Daisy shows off incredible basal branching producing hordes of flowers in summer. Its prostrate habit creates a carpet appearance. A truly breeding breakthrough and revolutionary selection!
