

Little Lime Punch® Panicle Hydrangea

Works well in a mixed border, woodland garden, or even a large container

Hydrangea paniculata 'SMNHPH' 33207

- **Use:** You'll be drinking in the beauty Little Lime Punch® hydrangea serves up all season long. Similar to Little Lime®, its blooms emerge lime green, but they mature a little differently. Flowers change progressively from the bottom up in a gorgeous array of white, light pink, and rich Hawaiian Punch red! As it reblooms throughout the summer you'll see these four colors mix to create a truly memorable show. With a compact habit and strong stems, you'll find that it's as useful in the landscape as it is beautiful.
- **Exposure/Soil:** It thrives in morning sun afternoon shade, but also tolerates heat and humidity. Only plant in full sun if you have irrigation.
- **Growth:** Fast-growing to 3-5 feet high; equal width in only 3 –4 years.
- **Hardiness:** Zone 4-9 Shrub
- **Foliage:** Deciduous. Large, glossy, dark-green leaves.
- **Flower:** New blooms emerge white and then turn a festive mix of pink, green, white, and Hawaiian Punch-red blooms all on the same plant. It's hard to describe, but the plants just make you feel happy.
