

Silver Queen Ajuga / Bugleweed

A great groundcover for shady areas, and is very easy to grow in containers on your patio for fall/winter interest.

Ajuga reptans 'Silver Queen'

- **Use:** Attractive ground cover with colorful foliage and spikes of blue flowers in spring. Groundcover for shade with cream and green variegation. Bugleweeds are a knock out in patio pots, combos, and as a striking accent with white, gold or light-colored plants. Also excellent in between stepping stones.
- **Exposure/Soil:** Use slow release or water soluble fertilizer. Keep soil moist watering under leaves and flowers for best results.
- **Growth:** Fast growing to 4" tall, and keeps spreading.
- **Hardiness:** 4-9 perennial. Very easy to grow!
- **Foliage:** Grey green and white variegated foliage makes an attractive groundcover. Many winters it will be evergreen, but in a cold winter may go dormant.
- **Flower:** Small spikes of blue flowers in spring-summer. Prune old flowers for a 2nd flush of blossoms.
