

Purple Masterwort

This excellent cut flower is deer resistant and attracts butterflies.

***Astrantia major* 'Star of Beauty'**

- **Use:** Masterwort is an exceptionally good cut flower and also attractive in the garden. Cut fresh or dry for winter display. Midsized in habit, great for the mid border or in containers.
- **Exposure/Soil:** Full sun– part sun. Drought tolerant once established. Performs best when given a rich, evenly moist soil.
- **Growth:** Grows 16-18" tall and wide.
- **Hardiness:** 7-11, Perennial. Do not cut back stems until April after winter is passed.
- **Foliage:** Scented leaves. Deciduous. Cutting grown.
- **Flower:** This selection produces umbels of pincushion-shaped white flowers with magenta-purple tips, arranged like spokes on a wheel. Dead-head regularly to promote more buds and to discourage self seeding all over.
